CALL FOR PAPERS

Dear friends!

We are pleased to invite you to participate in the IV International Youth Forum” **Moral imperatives in law, science, education, and culture**”, which with the blessing of Metropolitan Ioann of Belgorod and Stary Oskol will take place in Belgorod on **13-14 May,2016**.

Main directions of running the Forum:

1)Conference

2)Competition

The Problematics of the Conference

- 1) Dignity, human rights and freedoms: political and legal discourse.
- 2) Law, religion, morality: the problem of correlation and hierarchy of social regulations.
- 3) Philosophy and History of Russian Political and State Systems: immense values and traditions.
- 4) Modernization of the Russian Education: Moral and Spiritual context.
- 5) Globalization and acculturation: essential and predictive aspect.
- 6) Top priorities of Russian and Foreign Literature and Culture.
- 7) Creation of Moral and Spiritual Culture of the Youth: ecological, medical, social, and economical aspects.

Leading Orthodox Scholars plan to present their papers connected with announced problematics on a plenary session.

Conference papers and reports of recent graduates, Master’s Degree students, researches, and students will be heard and discussed during a section meeting.

Based on the results of the conference **the publication of the reports** of students, PhD students, and recent graduates is planned. A publication opportunity of the collection of papers will be available without attending the conference.

The Problematics of the Competition
